LOCATION

Portland, Oregon

POSITION

Graphics Prepress Technician (Full-Time)

JOB SUMMARY

This position is responsible for production of customer files within the prepress area. Responsibilities include:

- layout and prepare electronic files per customer specifications and produce press ready files
- build art and manipulate files to exact parameters provided by the customer
- able to build graphics using press specs for separations, traps, and bleeds
- accurately checking files for color separations, min dot, minimum press specs, spelling, document size, etc.

QUALIFICATIONS

Associate Degree in related field or equivalent years experience within a flexographic prepress/printing environment; corrugated knowledge helpful. Individual must have proficient Mac computer knowledge with utilizing Adobe software applications, primarily Illustrator and Photoshop. Knowledge in ESKO software preferred; Nexus background a plus. Attention to detail and quality is required.

HOW TO APPLY

To learn more about OEC Graphics, or about opportunities at OEC, visit our website at www.oecgraphics.com. Those individuals interested in the Graphics Prepress Technician position are asked to submit their resume and coverletter to hr@oecgraphics.com, with the subjectline "Prepress WA".

It is the policy of OEC Graphics, Inc that all persons, regardless of race, color, age, sex, creed, sexual orientation, national origin, pregnancy, or handicap, be judged solely on their qualifications in employment matters. That includes, but not limited to, recruitment, hiring, promotion, transfer, training, compensation, and termination.
