

Color Management Technician

OEC Graphics, Inc. Oshkosh, WI

Purpose: Responsible for proofing, profiling, and color management activities related to flexo prepress workflow requirements and customer expectations. Also perform Prepress Technician duties as needed to meet production schedule deadlines and operating requirements.

Status: Full-time, hourly; Non- Exempt; Benefit Eligible

Essential Responsibilities:

1. Participate in research and development of new proofing technologies and procedures, and in the standardization of proofing within all facilities and remote operations. Work with Team Leads to implement new proofing technologies and procedures.
2. Evaluate press samples and provide recommendations to Team Leads, customers, and/or Sales.
3. Identify and resolve technology, software, and substrate needs and limitations.
4. Work with transitioning color data to new web-based and electronic standards.
5. Provide color guidance and support to account managers and prepress technicians.
6. Help develop and maintain proofing workflows to customer specific profiles.
7. Follow and support standard operating procedures. Recommend and maintain continuous improvement initiatives and quality standards.
8. Build and analyze press fingerprints to set up press profiles.
9. Perform Prepress Technician functions to support facility production requirements as needed.
10. Other duties as assigned for facility operations.

Knowledge, Skills, and Abilities:

- Ability to work as a shared resource with OEC employees, vendors, and customers
- Solid flexographic knowledge is necessary
- Must possess excellent oral and written communication, organization and problem solving skills; attention to detail is essential
- Ability to handle demanding schedules and multiple priorities
- Understanding of Lean Manufacturing Principles and ability to implement

Education and/or Experience:

Associate Degree in Graphic Communications and at least 2 to 5 years of related experience in prepress, preferably in a packaging environment. Esko experience is preferred. Possess excellent interpersonal communication skills, multi-tasking, and organizational skills.

How to Apply:

Individuals interested in applying for the Color Management Technician role are asked to submit a resume, or completed Application of Employment, via email to: hr@oecgraphics.com, using the subject line: COLOR416

It is the policy of OEC Graphics, Inc that all persons, regardless of race, color, age, sex, creed, sexual orientation, national origin, pregnancy, or handicap, be judged solely on their qualifications in employment matters. That includes, but not limited to, recruitment, hiring, promotion, transfer, training, compensation, and termination.
